Avanti JE High Speed Centrifuge

→ **DO NOT USE WITHOUT PROPER TRAINING**

→ **ALWAYS:**

- Sign up on [QReserve.com](http://QReserve.com).
- Secure rotor properly.
- Secure rotor lid properly.
- Balance tubes and bottles to 0.1g
- Ensure that proper tubes and bottles are used.
- Leave rotors clean.
- If using in the evening, please turn off if no one is using after you.

→ **PLEASE**

- **DO NOT** initiate a run if it will overlap with others’ reservations.
- **DO NOT** exceed recommended acceleration.
- **DO NOT** over-fill tubes or use uncapped tubes. (Check manuals)

→ **For issues or training requests, please contact Dr. Greg Connell**
