DO NOT USE WITHOUT PROPER TRAINING

ALWAYS:

◆ Sign up on QReserve.com.

◆ Make sure plate type matches what is entered in run method.

◆ Make sure plate orientation is correct when inserting (A-1 in top left).

◆ Make sure lid is not on plate.

◆ If injectors are used, make sure to clean according to manual
  ● Manual is located in cupboard underneath instrument

PLEASE

◆ DO NOT force door shut.

◆ DO NOT stand up against door of reader.

◆ DO NOT unplug injector if machine is on. Can cause serious issues!

If plate is not listed, contact Dr. Connell to get it added.

For issues or training requests, please contact Dr. Greg Connell
